10 YEAR LIMITED WARRANTY

Advanced Protection Technologies, Inc. warrants surge protection products against defective workmanship or materials for 10 years. Liability is limited to the replacement of the defective product. A Return Authorization (RA#) must be given by the company prior to the return of any product. Returned products must be sent to the factory with transportation charges prepaid. In addition, the company also warrants unlimited replacements of modular and component parts within the warrant period previously described.

The company specifically disclaims all other warranties, expressed or implied. Additionally, the company will not be responsible for incidental or consequential damages resulting from any defect in any product or component thereof.
